"The Coroner's investigation," says the letter to the Governor, "clearly discloses the fact that there has been a lack of system in the work of the commission so far as it relates to the enforcement of the labor law. On the face of the record of that investigation the need for some change in the organization and personnel of the commission is clear."

CHARGE IN LETTER SENT

Claims Credit for Reform.

Orr. Gov. Whitman's private secretary, may be appointed State Superintendent of Prisons temporarily if Supt. John B. Hiley complies at once with Gov. Whitman's request, transmitted to him today, to resign immediately. Mr. Orr has often been mentioned as a possible successor to Supt. Riley, but the Governor does not want Mr. Orr to leave the executive staff, and for that reason it is believed that if he is appointed it will be only until a permanent successor to Mr. Riley can be chosen.

Besides Mr. Orr Dr. George W. Kirchwey, now warden of Sing Sing, has been suggested by some. Charles H. Strong, appointed by Gov. Whitman as commissioner under the Moreland act to investigate the State charities, had a long talk with the Governor this afternoon, and it was suggested that the Governor might be thinking of him.

Mr. Orr has spent a large part of his time visiting and inspecting State institutions and has some decided ideas on prison management. He believes manufacturing in the prisons should be put on a paying basis. Another of Mr. Orr's ideas is that of granting convicts from 10 to 15 per cent. decreases in the shops.
